# Charging your car at Trefeddian Hotel

pod POINT

Pod Point Electric Vehicle Charging

Pod Point are the UK's leading provider of electric vehicle charging. You may have noticed that we have 6 charge points installed in the parking facilities at Trefeddian Hotel, Aberdovey. There are 2 spaces in the hotel garage and 4 alongside outdoor car parking bays.

To get started:

1 **If you have not used Pod Point before download the Pod Point app**

Create an account and load a balance (£10 will do to start you off).

GET IT ON
Google Play

Download on the
App Store

2 **Plug In**

You will need to bring your own universal lead to connect to the Pod Points, Some Tesla's have a different lead, the closest dedicated Tesla super charge point is SY23 3TL – 29 miles away.

3 **Wait for access**

Once charging has commenced, you will be sent a message (within 15 minutes) to accept the charging costs. This allows charging to continue. If you do not accept the pricing, charging will cease. The cost of charging is £1.64 per hour. You vehicle will charge at 7kW per hour.

4 **Go!**

Plug your car into the charge point

Select the charge point in the app

Confirm charge within 15 minutes

Charging bays cannot be reserved and we politely ask you to only park in a bay when you are charging your car.
